

Capacity building programme matrix

Whose Capacity?	Capacity for What? <i>Strategic level answer</i>	Which capacities? <i>Which capacities would need strengthening in order to respond to the 'capacity for what?' answers?</i>	Capacity Diagnosis Methods <i>How will you find out about current capacity levels and support needs?</i>	Capacity Building Methods <i>Selection to be made from a 'menu' including the methods below</i>	Linkages <i>How is this work linking to other (country, thematic global) objectives?</i>
<p align="center">What process would I use to develop this matrix? (Who will I involve and how?)</p>
